Steps:  
click "Departments"

The screenshot shows the official website of Thiagarajar College of Engineering. At the top, there is a red navigation bar with links to various college services like Careers, GApps@TCE, Life@TCE, TCE MOOCs, TCENet, TCE Journal, Students, Alumni, TBI, ERP Login, RTI, and Contact. A search bar is also present. Below the header, the college's logo and name are displayed, along with a banner celebrating 68 years from 1957 to 2025. The main content area features a large image of a multi-story brick building with white columns and red accents, surrounded by trees. On the left, there is a sidebar titled 'Study at TCE' with options like 'Departments' (which is highlighted with a purple border), 'Heads of the Department', 'Adjunct Faculty', 'Visiting Faculty', 'TLP @ TCE', 'Academic Calendar', and 'Library'. A red button labeled 'Announcements' with a right-pointing arrow is located below the sidebar. The overall layout is clean and professional.

## Steps:

click "Computer Science and Engineering"

The screenshot shows the homepage of Thiagarajar College of Engineering. At the top, there is a navigation bar with links to various college services like Careers, GApps@TCE, Life@TCE, TCE MOOCs, TCENet, TCE Journal, Students, Alumni, TBI, ERP Login, RTI, and Contact. There is also a search bar labeled "Search on TCE". The main header features the college's logo and the text "Thiagarajar College of Engineering 68 YEARS 1957-2025 where quality and ethics matter". Below the header, there is a large banner image of the college's building with the word "LIBRARY" visible above the entrance. The page title "Departments" is centered over the banner, with a subtitle "Home - Academic Process - Departments" underneath. The main content area contains six boxes, each representing a department: T'SEDA (Architecture, Design, Planning), Civil Engineering, Chemistry, Computer Science and Engineering (which is highlighted with a purple border), Computer Science and Business Systems, and Computer Applications.

| T'SEDA (Architecture, Design, Planning) | Civil Engineering                     | Chemistry             |
